Thoughts: This book makes me think about Passover because in both there is someone really brave that makes the problem solved because they both crossed the ocean but in the Odyssey there's a problem in the ocean, but in Passover there is know problem in the ocean. My question is why did Telomachus think that it wasn't	Thoughts: I was surprised that Poseidon returned to the sea. The main idea of this book is getting surprised because they didn't know that they'd show up.
